 A screenshot showing a circular logo with a gold border. The logo features an orange stylized fruit shape with a green leaf. The text "HR for ALL" is written in a grey arc above the fruit. The logo appears distorted or "broken" as described in the report. To the right of the logo, parts of other interface elements are visible, including a yellow bar with the letter "L", a button labeled "A", another button with a question mark icon, and a yellow button labeled "Fo".
